TESTIMONIAL

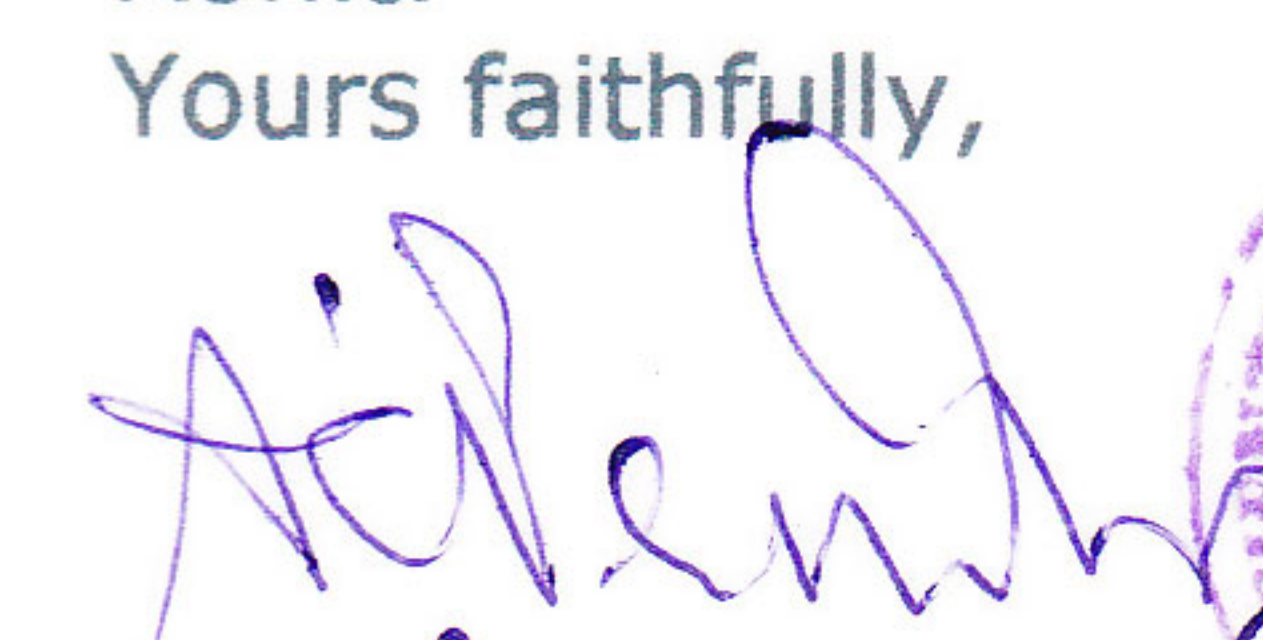

To,
Dr. Rohit Karnik
Dentist

Dear Sir,

I the undersigned am a Director at Scientica Life Sciences Pvt. Ltd. since 2003. Healthiance Division of Scientica Life Sciences Pvt. Ltd. offers homoeopathic treatment. As a practicing homoeopath I have cured many acute and chronic diseases.

I was suffering from toothache. I visited Dr. Rohit Karnik who after an examination told me that the tooth needs Root Canal Treatment. Due to my hectic schedule it was not possible to have multiple sitting for the root canal. Dr. Rohit told me that he can finish the root canal in one sitting. He did complete 90% of the work in one sitting. I had to visit him after that sitting for fitting up the cap. As compared to my earlier experience of root canal treatment done by senior dentists, the fitting of the cap fitted by Dr. Rohit was so good that I forgot completely the tooth that has underwent root canal and has a cap. As against the earlier root canal which constantly make me aware of the ill-fitted caps. The successfully done root canal conveyed me that Karnik Dental Clinic is well-equipped with latest instruments to handle almost all the dental problems. I congratulate Dr. Rohit Karnik for setting up such a well-equipped dental clinic and offering me his professional services in a cost-effective way. Keep it up Dr. Rohit.

Yours faithfully,

Dr. Ashutosh Pradhan
